Muzrai Secretary's remarks:—

It is not understood what the Petitioners mean by saying that there is no bathing ghaut or flight of steps near the river at T. Narasipur. There is a very fine flight of stone steps in front of the Sri Gunja Narasimhaswami temple, the sides of which were repaired about two years ago. There is also another flight of steps further on near the Sri Moolasthaneswara temple, behind the Travellers Bungalow.

The Petitioners may be informed that Government consider it unnecessary to have any more flights of steps at the place. 104
